CMD's Message on Occasion of Vigilance Awareness Week - 2026

Every year we observe Vigilance Awareness Week in order to enhance awareness and to promote integrity, transparency, and accountability in public life. This year Vigilance Awareness Week is being celebrated from 26th October 2026 to 1st November 2026. This coincides with the celebration of the birth anniversary of Sardar Vallabhbhai Patel, the Iron man of India and architect of unified nation. His emphasis on integrity and corruption-free public services makes the occasion particularly appropriate. He stated:

"A nation's greatness is reflected in the character of her people. If it is sullied by selfishness, such a people cannot prosper or achieve great things."

This year's inspiring theme is **"Probity for Prosperity"** which means integrity and ethical conduct are foundation for sustainable economic growth, effective governance and national prosperity. We need to ensure the following in our official work:

i) Fair and transparent procurements and tendering
ii) Timely decisions without favouritism or undue influence
iii) Prevention of fraud, waste and misuse of public resources
iv) Strong internal controls and prompt resolution of complaints.

Let us utilise this week, not only to reflect on our systems and practices, but also to cultivate a proactive culture of transparency and accountability where integrity guides our daily actions.

Vigilance is not merely about detecting corruption and punishing wrongdoing, it is about preventing corruption by building systems, processes and People with integrity.

I advise all senior management and employees of AIAHL and its subsidiaries to ensure integrity, transparency and ethical conduct in their work and actively participate in all the awareness programs planned during this week.
