

Corrigendum

Subject: - RFQ for selection of selection of maintenance service provider (MSP) to conduct six (06) overhaul of PW127M (Turboprop) Engine.

Referring to the pre-bid meeting following correction are made in the RFQ, interested parties are requested to read the corrections as below:-

1. Referring to point 1, "payment terms", sub-point "b", it should be read as "If a credit term is offered for less than Forty-Five days from the date of the invoice is to be mentioned specifically".
2. Referring to Appendix I, "Technical Specification", point 2 "Technical Requirement", sub-point "p" should now be read as:-

"The work-scope of AAAL's Engine during any engine shop visit at MSP's facility would be held jointly by AAAL's representative and MSP's engineering personnel. In case of a leased engine/ engine associated with a leased aircraft, there may be participation from relevant Lessor for which MSP shall have no objection and shall, without any demur or protest, provide full co-operation and participation at desired levels. MSP shall also extend similar cooperation to the representatives of the relevant engine manufacturers, Indian Regulatory Authority (DGCA), AAAL's Insurer if required".

3. Referring to Annexure T1, "Compliance of Technical Services Table 1, S. No ii," should be read as "Impeller, HP P/N 3072766-01".
4. Referring to Table 3, point "10", should be read as "MSP agrees that the Warranty shall commence after delivery of Engines. MSP is also required to warrant its subcontractor's work (if any)".
5. Referring to Table 3, point "21", should be read as, "In case of repair of used serviceable part, MSP have to provide pro-rata base credit note for the remaining life of the life limited components.
6. Referring to Annexure T1, Table 3, should be read as "MSP has to compliance the Ads & SBs from OEM upto Category 6 and other service bulletins from Category 7 and up shall be proposed in addition of this.
7. Referring to Evaluation Criteria, table mentioned are for only illustration purpose. Bidders have to quote the price/rates only a Annexure F1.
8. Password Protected BSI information will be uploaded, bidder can request for password by sending request email to "edengg@allianceair.in".
